MILITARY STD-810G 5-FOOT DROP PASSED!

Powerful Performance at a Powerful Price Point

The xTablet T1175 i3 features a top of the line, Intel® Core™ i3 CPU at a competitive price point. Built with our trademark ruggedness and durability, this tablet takes productivity to the next level in nearly any industry — both inside and out. Choose from a host of accessories and add-ons to enhance your productivity even further.

PROVEN RUGGED

MobileDemand devices must meet rigorous military standards, passing a 5-foot drop test a total of 26 times ensuring the xTablet T1175 i3 will be protected from accidental drops. IP65 rated sealed ports protect the device from liquids and dust, critical to investment protection.

SUNLIGHT VIEWABLE

The 10.1-inch, 10-point multitouch capacitive screen and 800-nit, sunlight viewable display ensures the device will thrive in both indoor and outdoor environments. Light-filtering technology with a high contrast ratio prevents eye strain from squinting.

PRODUCTIVITY

The xTablet T1175 i3 is the only device your frontline workers will need thanks to a variety of optional add-ons. Scan barcodes, take payments, read identification tags and more, all on a single Windows-based mobile device.

HIGH PERFORMANCE

Featuring the 13th Gen Intel® Core™ processor, the xTablet T1175 i3 delivers high levels of speed and performance. With up to 8GB of memory and long-life hot-swappable batteries, the device stays powered up and ready to perform all day and night.
