

Drop test passed on base tablet without payment module kit.

## The sleek and light, rugged xTablet T1195

At only 0.6in (1.5cm) thin and a mere 2.3lbs, the T1195 may be small in stature but big on features. Built to MobileDemand's rugged standards, this sunlight viewable wonder is designed to tackle just about any job, inside or out. Equipped with an optional MSR or 3-in-1 point of sale module the T1195 shines in retail, restaurant, healthcare and other industries that rely on mobility and customer interactions.

### PROVEN RUGGED

At MobileDemand, our devices must pass rigorous military drop testing standards to prove durability, because failure is not an option. Put confidence in your hands, knowing the xTablet has met our stringent standards and is ready to work as hard as you in today's most demanding environments.

### SUNLIGHT VIEWABLE

Work efficiently in both indoor and outdoor environments thanks to a high resolution 10.1", 800-nits, sunlight viewable, 10-point multi-touch display. The T1195 also carries an IP65 rating for dust and water so come rain or shine, weather will never slow you down.

### PRODUCTIVITY

Increases the productivity of businesses where mobility and customer interactions play a key role. Achieve more with industry leading MagTek® or Ingenico 3-in-1 PoS modules and Honeywell's high performance 2D barcode scanner. The T1195 delivers power and productivity to the retail, restaurant and healthcare industries.

### MOUNTING

Unlimited mounting solutions are made possible with MobileDemand's ingenious snap plate, included with every xTablet. Used in conjunction with the patented Quick Release Snap Mount System, mounting to checkout counters, desks, POS stations, medical carts, walls, vehicles and so much more is simply a snap.
